

# BATTERY SCRUBBER-DRIER

MOD. 65 BT

*chassis and all metal parts  
in stainless steel*

## MAIN FEATURES

|                                     |                         |
|-------------------------------------|-------------------------|
| Working width                       | 660 mm                  |
| Max. working capacity               | 2.925 m <sup>2</sup> /h |
| Solution tank capacity              | 80 l                    |
| Recovery tank capacity              | 80 l                    |
| Max. autonomy (lead-acid batteries) | 4,5-5 h                 |
| Max. autonomy (gel batteries)       | 4-4,5 h                 |

## OTHER FEATURES AND STANDARD SUPPLY

Electronic traction - forward/reverse  
Service and parking brake

Removable filter solution tank  
Solution tank drain hose with flow adjustment tap  
Dirty water tank drain hose with flow control  
Stainless steel squeegee with rubber blades  
N.2 PPL disk brushes

## GENERAL FEATURES

|                                      |            |
|--------------------------------------|------------|
| Speed range                          | 0-4,5 Km/h |
| Max. gradient full load              | 10 %       |
| Depression (H <sub>2</sub> O column) | 2.000 mm   |
| Brushes ground pressure              | 38 kg      |
| Brushes rotation speed               | 180 rpm    |
| Noise level                          | ≤ 68 dB    |

## DIMENSIONS AND WEIGHT

|                                       |          |
|---------------------------------------|----------|
| Machine length                        | 1.500 mm |
| Machine width (squeegee not included) | 660 mm   |
| Machine height                        | 1.050 mm |
| Brushes diameter                      | 2x330 mm |
| Squeegee width                        | 880 mm   |
| Machine weight                        | 118 Kg   |

## ELECTRICAL SYSTEM

|                |                |
|----------------|----------------|
| Voltage        | 24 Volt        |
| Frequency      | direct current |
| Vacuum motor   | 600 W 24 V DC  |
| Brush motor    | 600 W 24 V DC  |
| Traction motor | 400 W 24 V DC  |

## PACKAGING

|                     |                       |
|---------------------|-----------------------|
| Type of packaging   | carton box on pallet  |
| Dimensions          | 1.700x1.070xH1.250 mm |
| Volume              | 2,27 m <sup>3</sup>   |
| Weight of packaging | 20 Kg                 |

Recommended batteries  
4 x 6V 180Ah lead-acid - code 850000082  
4 x 6V 180Ah gel - code 850000060

## CODE

120065BT

## DESCRIPTION

Battery scrubber-drier with electronic traction (forward/reverse)- mod. 65 BT

## OPTIONAL SUPPLY

|           |                                                     |
|-----------|-----------------------------------------------------|
| COEL00001 | Electric digital hour-counter                       |
| COEV00001 | Automatic on/off solution flow control electrovalve |

## BATTERY CHARGERS

|             |                                                                           |
|-------------|---------------------------------------------------------------------------|
| CB10240250A | 24V 25A electronic battery charger for lead-acid batteries                |
| CB10240251A | 24V 25A electronic high frequency battery charger for lead-acid batteries |
| CB10240251G | 24V 25A electronic high frequency battery charger for gel batteries       |

## BRUSHES

|             |                                          |
|-------------|------------------------------------------|
| COSP330PPLH | N.2 PPL brushes (n.2 supplied as stand.) |
| COSP330ABRH | N.2 Tynex abrasive brushes               |

## PAD HOLDER/PADS

|              |                                                              |
|--------------|--------------------------------------------------------------|
| CODT335TRECH | N.2 pad holders with green pad block incl.                   |
| 004614       | N.2 black pads 13" (330 mm) - supplied in 5 units carton box |
| 010704       | N.2 brown pads 13" (330 mm) - supplied in 5 units carton box |
| 008286       | N.2 green pads 13" (330 mm) - supplied in 5 units carton box |
| 008288       | N.2 red pads 13" (330 mm) - supplied in 5 units carton box   |
| 007392       | N.2 micro-fibre pads 13" (330 mm)                            |
| 006465       | N.2 gum pads 13" (330 mm)                                    |
| 009585       | N.2 sector gum pads 13" (330 mm)                             |

## SQ. RUBBER BLADES

|              |                                                                     |
|--------------|---------------------------------------------------------------------|
| COGU1012643P | Squeegee polyurethane blade - front (n.1 unit supplied as standard) |
| COGU1080765  | Squeegee rubber blade - rear (n.1 unit supplied as standard)        |
