

**General features:**

- Thermic fuse for motor protection
- Metal transmission gearing box
- Safety switch on the handle
- Decentralized motor
- Additional outlet on the handle
- Accessories easy replacement

**Technical features:**

**Main use:**

**NOVADISC 51 SUPER 1.500 Watt:**

Heavy duty washing, spray cleaning and spray buffing polishing systems, crystallizing, marble and wood floors polishing.

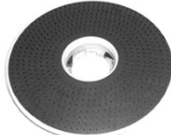

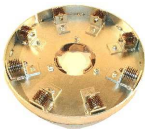

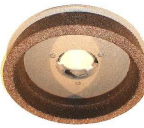

**Code**

**NOVADISC 51 SUPER 1.500 Watt:**

607125

A particular gearing transmission system allows to work safely and for heavy duty.
