

CLINOX

FAST CLEANER FOR STAINLESS STEEL SURFACES

GENERAL DESCRIPTION

CLINOX is a alcohol based fast cleaner for the cleaning and polishing of stainless steel surfaces.

CLINOX leaves a glossy protective coat.

It is suitable for the cleaning and polishing of internal and external stainless steel surfaces in kitchen, food industry, equipments.

The product uses raw materials allowed by the French Regulations for detergents to be used on surfaces equipments in contact with foodstuff (Arrêté December 19th 2013).

Recommended for the HACCP plans application.

DIRECTIONS FOR USE

Vaporize the product directly on the surface and rub, better with a microfiber cloth Extraklin, until the surface is dry and glossy.

TECHNICAL DATA

Appearance	Light yellow liquid
pH	3.6 ± 0.2
Density	0.967 g/ml
Active contents	45%

Chemical composition – Reg. (EC) 648/2004

- Non-ionic surfactants conc. 5-15%

The product contains surfactants with primary biodegradability at least 90% and ultimate aerobic biodegradation complying with Reg. (EC) No. 648/2004

WARNINGS

Labelling

Warning
