

DART

FAST CLEANER FOR GLASS, DESKS AND HARD SURFACES

GENERAL DESCRIPTION

DART is a fast cleaner for glasses, mirrors, desks, computers, kitchen appliances, enamelled and varnished surfaces.

DART is formulated for the removal of ink, marks, oil spots, fingerprints, nicotine and other soils.

DART does not need rinsing. It is the product of choice for the routine maintenance of surfaces in offices, hotels, schools, houses, etc.

DART is available both in liquid form and in aerosol 24 ounces cans.

DIRECTION FOR USE

Spray on the surface to be cleaned and wipe off with a paper, cloth or microfiber cloth. Do not spray the product directly on the keyboards of computers but clean with a cloth moistened with **DART**.
