

KEMITABS

DETERGENT TABLETS FOR DISHWASHING MACHINES

GENERAL DESCRIPTION

KEMITABS is a low foaming 20 grams tablet detergent for domestic or semi-professional dishwashing machines and glass and cup washers.

KEMITABS has a degreasing, sanitizing, descaling and rinsing action. It contains oxidizing agents. The combined action of the various components allows in-depth elimination of all types of dirt, preventing it from settling back on the dishes and a bleaching action.

It does not require the use of rinse aid.

Product recommended for HACCP plan.

DIRECTION FOR USE

SMALL WASHERS: place a tablet on the bottom of the basket, wait a few minutes and start the machine. Use one tablet every 4-5 washing cycles.

HOME DISHWASHERS: place a tablet in the special tray and close the lid. Select the program and start the dishwashing.
