

PARKÈ LIQ

SOLVENT-BASED LIQUID WAX FOR PARQUETS

GENERAL DESCRIPTION

PARKE'LIQ is a blend of waxes in hydrocarbon solvents for wooden floors waxing and maintenance.

PARKE'LIQ can be used on new, or wax treated floors.

PARKE'LIQ can be used for untreated wood floors with the spray method using a floor machine and a red or blue pad.

DIRECTION FOR USE

Shake the container before using. Apply the product with a cloth. Let dry and buff with soft pad (white or cream) and a floor machine.

For the spraycleaning method use the rotary machine and the red or blue pad. Spray the product and buff until dry. To achieve the best results, use a 150-300 rpm machine.

TECHNICAL DATA

Appearance	mat liquid
Density	0.772 g/ml
Dry solids	7%
Flash point	42°C

WARNINGS

Labelling

Danger

Flammable liquid and vapour. May be fatal if swallowed and enters airways. May cause drowsiness or dizziness. Harmful to aquatic life with long lasting effects. Repeated exposure may cause skin dryness or cracking.
