

# PRESPOT

## STAIN REMOVER

### GENERAL DESCRIPTION

Blend of surfactants and solvents to be used before putting the linens in the laundry machine.

**PRESPOT** removes the stains of oils, proteins and of other organic matter.

### DIRECTIONS FOR USE

Spray the product on the stain and rubs it on slightly. Let act for a few minutes then put the cloth in the laundry machine.

For wool or other delicate garments do not use alkaline washing. For pre-washing and washing, possibly use LAVAMIX BLU SUPER 30-40 ° C.

### TECHNICAL DATA

Appearance	opalescent liquid
pH	8.5 ± 0.3
Density	1.057 g/ml
Active contents	24%

#### Chemical composition – Reg. (EC) 648/2004

- Anionioc surfactants	conc. 5-15%
- Non-ionic surfactants	conc. 5-15%
- Soap	conc. < 5%
perfumes	

The product contains surfactants with primary biodegradability at least 90% and ultimate aerobic biodegradation complying with Reg. (CE) n. 648/2004.

### WARNINGS

#### Labelling

#### Warning

Causes serious eye irritation.
