

# SPACE

## NEUTRAL ECO DETERGENT FOR FLOORS

### GENERAL DESCRIPTION

Low residue scented detergent made with components produced from natural sources, suitable for quick washing of waxed floors, ceramic tiles, stoneware and marble floors. It is useful for dusting furniture and desks. Rinsing is not necessary.

### DIRECTION FOR USE

Use SPACE diluted at 2,5% (250 g for 10 l of water) for washing medium soiled surfaces with mop, disposable flat mop or scrubber-dryer. Increase the concentration to 3% (300 g for 10 l of water) for stubborn dirt and for quick cleaning of desks and other washable furniture.

### TECHNICAL DATA

Appearance	Green liquid
Perfume	flower
pH	7.5 ± 0.2
Density at 20°C	0.991 g/ml
Content in active substance	12.4%

#### Chemical Composition - Reg. (CE) 648/2004

- Non-Ionic surfactants conc. < 5%
- Perfumes

The product contains surfactants with a minimum primary biodegradability of 90% and aerobic biodegradation in compliance with Reg. (EC) 648/2004
